Welcome To Our Club!

The Adirondack Soccer Club (ASC) is a non-profit organization with 300 registered players which represent indoor and outdoor teams, ages six through nineteen. The club began in 1987 and is affiliated with the Capital District Youth Soccer League (CDYSL), the Eastern New York State Youth Soccer Association (ENYSYSA) and the United States Youth Soccer Association (USYSA). We are subject to the rules and the regulations of each of these associations.

The club is proud to serve a large geographic region covering several counties in upstate New York.

The ASC is governed by a volunteer board of trustees that meet monthly to review operations and plan for indoor and outdoor soccer activities. Through local affiliations with town and high schools, ASC teams have the ability to practice mostly year round. Indoor play runs from October to March. Outdoor play runs from April to June.
